MR. SPEAKER.—I wish to make my position very clear. In the first place. I am not anxious to take up these adjournment motions. The members themselves were pressing them to be taken up for consideration. If they are agreeable, I have no objection to postpone their consideration.

SRI M. NAGAPPA.—They may be taken up on Monday, Sir.

MR. SPEAKER.—I have no objection. I will take them up on Monday. I am very anxious that both official and non-official business appointed for the day, should be completed according to schedule. I shall take up all these matters on Monday and I request the Hon. Members to bear in mind that if some time is lost in any controversy, that time will have to be compensated by sitting a bit late. I shall take them on Monday.

SRI V. N. PATIL.—Sir, regarding the MEI, for the last 52 days, one or the other Member of the labour union is being manhandled by the police and put into lock-up.....

MR. SPEAKER.—I have no objection to take it today. But there is a request here that in the interest of non-official business, these matters may be taken up on Monday. I am agreeable to that, provided the concerned Members do not press for it. I shall take up the matter on Monday.
